# OBJECTIVES AND VALUES

The company strives to be a leading supplier of quality tools and hardware to its designated markets. It seeks to achieve this by building and maintaining a network of loyal repeat customers through responsive offering suitable products, which consistently conform to the highest standards, and thereby maximising customer satisfaction.

Marshridge Enterprises t/a Industrial Solutions strive to increase the value of all stakeholders in the company.

In order to achieve this position, Industrial Solutions promotes a company value system that focuses on quality, innovation, responsiveness, teamwork and good corporate governance:

- By promoting the value of quality, we strive to be the best that we can be in everything we do.
- By supporting the value of innovation, we strive for the continuous improvement in aspects of our business through learning, benchmarking and having a general uneasiness with status quos.
- By promoting the value of responsiveness, we encourage a bias for action by feeling a sense of urgency in everything that we do.
- We encourage teamwork, which encompasses supporting and promoting team participation, interaction and effective communication.
- We support good corporate governance by encouraging honest, trust, equity and social responsibility.

## LINE OF BUSINESS

Industrial Solutions: Retail operation specialising in industrial tools, electrical, equipment, hardware and consumables.

## OUR SERVICES

Industrial Solutions is supplier of industrial tools, equipment, hardware and consumables. Amongst its wide range of tools and hardware products, there are numerous quality brands of products (such as Gedore, Hurricane, etc.) for the more discerning customer. Whilst Industrial Solutions operates from a outlet manned by internal sales representatives, its real strength in servicing its customer base comes from the efforts of its external sales representatives who are trained to ensure that the customer is able to place their orders from the comfort of their office, knowing that the right product will be delivered at the right time and at the right price

\* The sales representatives will go out of their way to ensure that nonstock industrial product lines required by the customer are sourced at fair market prices within our borders, regionally and rest of the world.
